

Unique, modern and extremely comfortable ALBA hanging armchair made of durable steel to weather conditions and corrosion. Thanks to its form, it will fit perfectly into any surroundings, creating a unique place to relax, play or work. Pillows inside will provide additional comfort and coziness. The use of upholstery foam and waterproof plywood makes it that the seat is durable, resistant to loads and deformations. The cushions are upholstered with high-quality fabric, resistant to UV rays, absorption of liquids and pilling.
