

The modern and elegant PALOMA garden bed is an ideal proposition for all those who want to relax in the fresh air. It is made entirely of steel resistant to weather conditions and corrosion. Pillows inside the bed provide additional comfort and coziness. The seat consists of upholstery foam and waterproof plywood, thanks to which it is resistant to loads and deformations. The cushions are upholstered with high-quality fabric, resistant to UV rays, absorption of liquids and pilling. Without a doubt, our bed will be a favorite vacation spot for you and your loved ones.
